

ITER celebrates annual day: The Institute of Technical Education and Research (ITER), a constituent institute of Siksha 'O' Anusandhan University celebrated its annual day, Genesis-2010, recently. Vice-president (HR) of Wipro Kanan Ramaya inaugurated the function. Ramaya asked students to build up endurance that would contribute to their success. Several events were organized in the Techfest, Chakravyuh, in which 940 contestants from technical institutes of Orissa participated. Revenue secretary Raj Kumar Sharma asked students to be more humane apart from being good engineers. Noted scientist Prof Trilochan Pradhan encouraged the students to devote sometime for creative pursuits and research work. Vineet of Sa-Re-Ga-Ma-Pa fame added the final tune to the celebration.
