## ITER observes annual fest

Institute of Technical Education and Research (ITER), a constituent of the city-based Siksha O Anusandhan University observed its annual event- Genesis 2010 from February 25-27. The institute's annual fest was inaugurated by Kanan Ramaya, president (human resources) of Wipro Technologies. In his address, Ramaya urged the students to imbibe the values of endurance and temperance to achieve success in life. K K Mishra, dean, ITER also spoke on the occasion. On the day of valediction, R K Sharma, revenue secretary, Orissa government was the Chief Guest. Trilochan Pradhan, chairman of the task force on higher education asked the students to devote some time to creative pursuits and research work.
