SEMINAR/CONFERENCE/WORKSHOP AT ITER

APPLIED ELECTRONICS & INSTRUMENTATIONS

- One day Workshop “TANNER TOOLS PRO” is organized by **Prof B K Das** in AE & I Dept. on 8th March 2007

ELECTRONICS & COMMUNICATION ENGINEERING

1. Seminar on Signal Processing at ITER
2. Seminar on “Embedded Systems” organized by ITER (2005-06)
3. “Mechatronics” conducted in ITER delivered by Shri Rudrapratap in the year 2004
4. “Edusat” conducted by ISRO & ITER in the year 2004. “Mechatronics” conducted in ITER delivered by Shri Rudrapratap in the year 2004

DEPARTMENT OF COMPUTER APPLICATIONS

Conference

1. 9th International Conference on “**Information Technology (ICIT- 2006)**” was organized by ITER, in collaboration with OITS from 18th to 21st December 2006.

Workshop

1. Faculty Development Programme for 5 days on “**Sun Solaris Administration part-I**” by Mr. Shyam Krishna from Sun Solaris Bangalore was organized from 25th May to 29th May 2009 at ITER.
2. Induction programme on “**Mat lab**” was organized from 20th to 22nd July 2008 at ITER.
3. Faculty Development Programme on
4. “**Sun Solaris Java**” was conducted from 16th – 20th July 2008.
5. National workshop on “**Algorithms for Bio-informatics**” from 28-03-2008 to 30-03-2008.
Resource personnel were
 - a) Prof (Dr.) Sudarsah Padhi from Utkal University
 - b) Prof(Dr.) Ashis Ghosh, ISI, Kolkata
 - c) Prof.(Dr.) Susmita Ghosh, Yadavpur University
 - d) Prof(Dr.) Pabitra Mishra, IIT, Kharagpur
 - e) Prof(Dr) S.P. Chainy , Utkal University)

6. Short-term course on “**Data Structure and Algorithm**” by Dr. Pawan Kumar and Prof. (Dr). Sudarshan Padhi was organized from 28.06.2006 to 02.07.2006.
7. Workshop on “Algorithm Analysis & Design: Advanced Series “ by Dept. of CSE, IT & CA of ITER in collaboration with OITS from 8th July ’05 to 10th July’05.
 - a. Prof.(Dr.) S.Padhy , Utkal University, BBSR
 - b. Prof.(Dr.) K.Mukhopadhyay , ISI, Kolkata
 - c. Prof.(Dr.) B.N.B.Roy , Utkal University, BBSR
 - d. Prof. A.K.Das , Dean CITE, BBSR

Seminar

1. Seminar on “**NP-Completeness**” by Prof. (Dr.)S. Padhy, Utkal University, Bhubaneswar was organized on 8.01.09 in coordination with the dept. of CSE, IT, CA.
2. A Seminar on “**UML design using Visual Paradigm a Software Engineering tool**” by expert Mr. Ram Prasad Patnaik. Group Leader and MF Track Anchor INFOSYS was organized on 12th Nov 2008.
3. A guest lecturer on “**Machine Learning Technique and Its Applications**” delivered by Prof.(Dr) Ashish Ghosh, ISI, Kolkata in co-ordination of Dept of CSE / IT / CA on 31st Dec . 2008.
4. A seminar on “**Computer Security**” by Prof. S. Padhi was conducted on 12th July 2008 at ITER.
5. Prof. D. Panda, Oracle Corp. USA delivered a talk on “**Enterprise Java Beans**” on 18.12.2006.

DEPARTMENT OF INFORMATION TECHNOLOGY

Conferences and Workshops

- Workshop on Algorithm Analysis and Design : Advanced Series (8th July’2005 to 10th July’2005)
- 9th International Conference on Information Technology (ICIT’06) (11th Dec. 2006 to 21st Dec. 2006)
- National Workshop on Algorithm for Bio-informatics (NWAB’08) (28th Mar 2008 to 30th March 2008)
- Workshop on Datastructure advance series (24th June 2008 to 30th June 2008)

Seminars and Guest Lecturers

- Applications of Soft Computing and Neural Network by Prof. Ashis Ghosh, ISI Kolkata (27th – 28th March’2009)
- Guest Lecture on P and NP-Complement by Prof. S. Padhy, Utkal University (1st Jaunary 2009)
- Sun Solaris Training Program (25th May 2009 to 29th May 2009)
- FFT and DFT by Prof. B.K. Panigrahi, IIT Delhi (29th Dec 2008)

- Mission 10x : A Faculty Development Program on New Methodologies of Teaching by Wipro (26th-30th May 2008)
- Machine Learning Approach by Prof. Ashis Ghosh, ISI Kolkata (31st Dec 2008)
- Facilitating MATLAB (21st-22nd July 2008)
- UML Designs using Visual Paradigm (17th Dec'2008)
- Faculty Development Program on “Ergonomics” by Mr. P. Vasavraj. (23rd July 2008)
- Workshop on Faculty Development Program by Prof. Prakash Kumar Mishra (21st July 2008)
- Application of Soft Computing for Optimization (March 2007)

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Conferences and Workshops

- Workshop on Algorithm Analysis and Design : Advanced Series (8th July'2005 to 10th July'2005)
